

As you perhaps have heard, a recent fire at 2 Scripps Drive has closed the building indefinitely. Fortunately, no one was hurt, and our records are intact. In fact, we are happy to announce that we have now secured a temporary facility to continue our practice and to deliver your dental services.

Luckily, our new relocation is right down the street from the former one, at **103 Scripps Drive in Suite 2**, and there is plenty of parking in front of and side of the building. For now, our days of operations will be Tuesday- Fridays. We are now open and serving our clients (with the usual Covid-19 protocols), and we'll be delighted to welcome you to our new office.

We will be contacting all patients who have scheduled appointments to confirm or reschedule them. In the meantime, if you need to get ahold of us you can call our office line (916) 929-6631 and leave a message with our answering service. They will relay your message to us. You can also send us an email to info@terrencewjonesdds.com or a text message to our office text line at (916) 347-4125.

This fire has reminded us how lucky we are, we thank each of you for your good wishes and support, and we are very grateful for your continued loyalty to our staff and our professional care. We hope to see you soon!

Dr. Terrence W. Jones and Staff
